Bone Folders

Tech Sheet #2192 Sample Card #N/A

Issued 07/01/2015

Bone Folders

Used for turning cover edges and folding

Overview

Bone Folders are the perfect accessory for hand binding operations. They are made of quality polished and finished bone, and used for folding, creasing and rubbing down the turned edges of casebound book covers, box coverings and numerous hobby and craft projects. The 1 x 8" Bone Folders are available in pointed or blunt styles.
